## ***Suppliers Partnership for the Environment Announces 13 New Member Companies***

Washington, DC – The Suppliers Partnership for the Environment (SP) today announced that 13 companies have become new members of SP for 2008. These new members include: *2V Industries, Inc.*; *ARCADIS; Asset Recovery & Management Group LTD*; *Chrysan Industries, Inc.*; *The Environmental Quality Company*; *Great Lakes Industrial Controls*; *Hersh Company Inc.*; *Infiniti Environmental*; *Lear Corporation*; *Merit Laboratories, Inc.*; *Performance Environmental Services, Inc.*; *RTI Laboratories, Inc.*; and, *VMX International LLC*.

“The Suppliers Partnership is pleased to welcome these new automotive suppliers into our organization,” said Randy Leslie, Vice President & General Manager, Johnson Controls, Inc. and SP’s Chair. “SP is a growing organization that represents all tiers of the automotive supply chain. Our new members of SP are committed to doing the right thing for the environment and taking the necessary actions that help create economic value throughout the automotive supply chain,” Leslie added.

The Board of Directors representatives from these new member companies include: Matthew Roberts, General Manager - 2V Industries, Inc.; Eric Carman, Principal in Charge - ARCADIS; Anthony Giordano, President and CEO - Asset Recovery & Management Group LTD; Suk-Kyu Koh, President and CEO - Chrysan Industries, Inc.; Jeff Roberts, National Recycling Manager - The Environmental Quality Company; Gary Jensen, President - Great Lakes Industrial Controls; Peter Feamster, Vice-President Sales & Marketing - Hersh Company Inc.; Melvin Gilmer, President - Infiniti Environmental; Barbara Boroughf, Vice President, Global Environmental, Health & Safety - Lear Corporation; Maya Murshak, CEO - Merit Laboratories, Inc.; Dave Varcoe, President - Performance Environmental Services, Inc.; Jerry Singh, President - RTI Laboratories, Inc.; and, Vickie Lewis, President and CEO - VMX International LLC.

Leon Richardson, SP’s Membership Development Chair and President and CEO, Chemico Systems said, “We are very pleased to have these important automotive industry suppliers as members of SP. They are joining other leaders from the automotive industry in working toward SP’s vision and mission of addressing innovative business-centered approaches to environmental protection that improve the environment while providing value throughout the automobile supply chain.” Richardson continued, “A key to the success in attracting these new members has been the efforts of Adam Westerdale, General Oil Company, Inc. and Robin Richey, GM, who have helped design and implement member forums that are attracting new companies like those that we welcome into SP’s membership today.”
